The School

Berrigan is one of four towns within the Berrigan Shire. We have 2 primary schools which feed into Finley High School for the student's secondary education. The main employers within the town are the Berrigan Shire Council, Local Hospital and Aged Care Facility.

The farming community which surrounds the town conduct cropping and rearing of livestock. The town has a very active community which despite several drought years is able to support several sporting clubs and numerous other recreational activities.

Catholic Identity

St Columba's, as a Catholic School, strives to mould people who, being self-directed and optimistic, will take a role in renewing both the church and society. During 2014 the staff of the school engaged in a spirituality day to explore the faith witness and story of St. Columba's School. As an outcome of this we celebrated Presentation Day and will look for opportunities in 2015 to continue this connection to the roots of the school. During 2014 the Sacraments of Reconciliation, First Holy Communion and Confirmation took place.

A Message from key School Bodies

St. Columba's School Council meets once a month to discuss what has been happening in the School with the Principal, Parish Priest and School Executive.

Parents are invited to these meetings which gives them an opportunity to hear first hand about their child/children's education and fundraising ideas.

Student Outcomes in Standardised National Literacy and Numeracy Testing

The school monitors Trend Data from this testing each year and uses that information to inform its learning and teaching practices for the upcoming year. The school annually completes an analysis of NAPLAN data and uses this to formulate an action plan to guide the improvement of student learning outcomes.

The school is focused on improving the growth of children from year 3 to year 5 over the next few years.

Professional Learning

Teachers have undertaken Professional Learning to be meet the needs of today's students by spending time unpacking and coming to a deep understanding of the Australian Curriculum for NSW Mathematics Syllabus. The K-2 staff have had a great deal of professional development on education in the early years. All staff participated in the unpacking of NAPLAN data and also became trained swim and survive coaches. Staff also had training in compliance areas such as chemical safety, anaphylaxis and CPR.

Teaching Staff

The NSW government requires that this report detail the number of teachers in the following categories:
